JETSD' EAU DE COLOGNE .- We have seen, in a fair hand, a new Parisian invention, which is likely to become very popular among the ladies. A small and slender bottle, made of structed that the slightest pressure of the hand sends forth a small threadlike stream of its contents in a fragrant jet. The object is to tie up this in a bouquet, and at will, by the the flowers with fresh perhane. It gives opportunity, also, for a coquetish bit of mischief, as the jet can be discharged into the face of a gentleman making olfactory approach.

A writer in the Atlas relates the following anecdotes of the late Rev. Robert Hall:--

"He had one day attended a It so happened that the preacher met Mr. Hall afterwards, at dinner, at the house of a mutual friend. The young man was very anxious to hear Mr. Hall's opinion of his discourse and very pertinaciously plied the great man with questions respecting it. Hall endured the annoyance, for some time, with great patience .scientiously, laud his sermon. At length, worried beyond endurance,

"Well, sir, there was one fine passage-and I liked it much, sirmuch."

"The young divine rubbed his hands, in high glee, and pressed Mr. Hall to name it.

"Why, sir," replied Hail, the passage I allude to was-roug PASSAGE
